Testimonials

We have returned from our fantastic Alaska and Rockies trip. I would like to say thanks to you Jenny and your excellent staff for providing us the opportunity to experience such an amazing adventure. Everything was fantastic starting from our arrival in Seattle and being met by Spencer who was just the most amazing and fantastic tour guide who showed us the wonderful sights of Seattle, he was just so knowledgeable and friendly, the accommodation at the Sheraton – Bellevue in Seattle was great the beds were to die for after a flight of 18 hours +. We also had a fabulous small group of fellow travellers -13 who all got on so well together, and having the smaller tour coach was great, we will remain friends for a long time. The smaller coach just added to the trip.

The cruise with Royal Caribbean, Explorer of the Seas was amazing we had the best cabin on the boat right at the very front, fabulous experience, the Sawyer Glacier was incredible, as were the shore excursions we took, can't wait till the next cruise!!!

After the cruise Ursula and our driver Nick met us at the dock and started another amazing adventure – the fabulous Rockies. Ursula was another fantastic guide who provided us with so much information and looked after us in every aspect. She is truly an asset as is Spencer, and Nick was a very good and safe driver.

The Rockies were amazing, the scenery spectacular, the whole trip fabulous, the accommodation was great and the food choices on the package were excellent, the additional tours we undertook were all worthwhile and enjoyed to the max, some of the scenery was just the wow factor, we also experienced being snowed upon, which living in our desert climate was a great experience, for us.

All in all it was an adventure we won't forget in a long time and thank you for helping us with every aspect of the trip and nothing was ever too much trouble for you and your staff, thank you thank you, and also thanks for providing such excellent tour guides, can't thank you and your team enough.
