As well as the charming architecture, there are unique cafes and a number of old saké breweries. The **Namba-Shinsaibashi area** in the city's South encompasses the city's premier shopping districts, full of boutiques, designers outlets, restaurants and bars. We end the day with dinner at an izakaya. These are Japanese-style bars which serve a variety of side dishes along with saké and beer – their grilled meat skewers are particularly good!
