**Day 2: Angkor Ancient City Tour (B)**

Visit the largest, best preserved, and most religiously significant of the Angkor temples. **Angkor Thom** covers an area of 10 square km. Enter by the monumental South Gate over a causeway lined on either side by statues of demons and gods, each carrying a giant naga (a mythical serpent symbolising the transition from the mundane to the sacred world). Continue to the **Terrace of the Elephants** and the **Terrace of the Leper King**, former spaces for public ceremonies that are both adorned with dramatic bas-relief carvings. Visit the ruined **Baphuon, Royal Enclosure and Phimeanakas**, before continuing to the mysterious . In this temple, one of the most popular and compelling in Angkor, explore the galleries of beautifully preserved bas-reliefs and ascend narrow stairs to reach the central sanctuary, where giant stone Buddha faces smile enigmatically down from every angle.

Visit **Ta Prohm temple**, one of the most popular attractions of Angkor as much of the jungle has not been cleared and it looks very much as most of the Angkor monuments would have appeared when European explorers first stumbled across them. Continue your visit to **Angkor Wat**, the Crown Jewel of Khmer architecture, the national symbol and the highlight of any visit to Cambodia.

**Day 3: Siem Reap Kompong Kleang Siem Reap (B, L)**

**Day 5: Arrive Home**

The Khmer empire was based around a vast network of temples and reservoirs around today's Siem Reap town. Having survived centuries buried by jungle, and the years of terror under the Khmer Rouge, the temples of Angkor are now one of the world's great tourist attractions.
